Message from the Principal

August 5, 2019

Dear Pinecrest Elementary School Families,

It is with great pleasure and excitement that we open the 2019-2020 school year as “Pinecrest All-Stars!” Our mission remains to maximize the learning of every student, ensuring we motivate them to develop the grit and perseverance needed to strive for their own personal best while promoting social/emotional growth through Mindfulness and our District’s Values Matter Program.

Pinecrest Elementary has been an “A” school since the inception of the State of Florida’s school grading system—we have maintained a grade of “A” for twenty-one consecutive years. This distinction is not something we take for granted. Our staff is committed to high expectations for all students, providing an academically challenging program while offering a loving, nurturing environment that develops students’ social and emotional needs as well. Our school promotes the Values Matter program through monthly Parrot Club recognitions, the Do the Right Thing program, and No Place for Hate activities.

In addition, because of our strong community partnerships and parental involvement, our school continues to be recognized with the esteemed Five Star School Award and received the S.T.E.A.M. Gold and Silver Designation in recent years. We have also received the Golden Apple School Award, as well as numerous awards through Dream in Green, Fairchild Challenge, SECME Math and Science competitions, District Social Science competitions, and VEX IQ Robotics which led to our participation in the World Competition.

It is this combination of exceptional staff, phenomenal students, and supportive parents and community that makes Pinecrest Elementary School the elite neighborhood school that it is. Thank you for entrusting your children to us. We look forward to working together with you to ensure the best elementary educational experience available.

Sincerely,

Lynn Zaldua
PINECREST ELEMENTARY

Closing of School
The emergency closing of a school for any cause, such as weather or in which the safety of individuals may be endangered, is only at the discretion of the Superintendent of Schools.

Cyberbullying
Cyberbullying is a form of bullying that takes place virtually over digital devices such as computers, smartphones, and tablets. Cyberbullying most commonly takes place via social media, texting, instant messaging, and email. Say NO to cyberbullying! If you or someone you know is being bullied, report this information to the Bullying/Harassment Anonymous Hotline at 305-995-CARE (2273). Resources:

Students are encouraged to promptly report incidents of discriminatory or harassing conduct to their Principal or the Office of Civil Rights Compliance (CRC) so that the conduct can be addressed before it becomes severe, pervasive, or persistent. The School Board has also adopted a policy Against Bullying and Harassment with Bullying defined by state law as systematically and chronically inflicting physical harm or psychological distress on one or more students. Complaints of bullying should be reported to the Principal promptly.

Dismissal

- **Bicycles/Skateboards**
  It is the parent’s responsibility to judge if a child is capable of riding a bicycle or skateboard to school safely. Bicycles or skateboards are never to be ridden on school grounds. If your child rides a bicycle or skateboard to school, he/she should know and practice bicycle and skateboard safety rules. All bicycles and skateboards should be securely locked to the bike rack near the Cafeteria or by the P.E. field. There is no way for us to watch the bicycle or skateboard, and loss or theft may occur. Please register your child’s bicycle and keep the serial number on hand. Remember helmets are required for safety when riding bicycles. Remind children not to ride their bikes or skateboards on campus.

- **Rainy Day Dismissal**
  Decide with your child ahead of time what he/she is to do at dismissal time when it is raining. Students may not use the office telephone to contact their parents on rainy days. Be sure your child clearly understands what you want him/her to do on rainy days. During heavy rains or severe weather students may be kept inside and parents will need to park and walk in to pick up their child.

The form must be carefully completed and returned. The information provided on the Emergency Student Data Forms will enable school staff to contact the parent/guardian immediately in the case of an emergency. Parent/Guardian(s) that provide a cell phone number will receive text messages should an emergency arise. Students may only be released from school to the persons listed on the form after presenting a picture identification. No persons, other than school staff, will have access to the information submitted. Any divorced or separated parent contesting the information
in the Emergency Student Data Form may seek assistance from the court governing their divorce, separation, or custody matters to compel the enrolling parent to revise the information.

All fieldtrips must be approved by the principal and Region Superintendent. Participation in fieldtrips requires that the student present a fieldtrip form signed by the parent/guardian to his/her teacher(s) in advance. In addition, at times vendors who have a “no refund” policy will require schools to pay the full amount of the fieldtrip prior to the event. In this case, students/parents will be notified in advance of the vendor’s “no refund” policy.

Grade Reporting
Academic grades are to reflect the student’s academic progress based on the competencies/benchmarks for the grade level/course in which the student is enrolled. The grade must not be based upon student’s effort and/or conduct.

Homework
Principals are encouraged to work with teachers and parents to implement guidelines found in Homework Policy 2330. Teachers are required to provide students with make-up assignments once the absence has been excused; however, it is the responsibility of the student to request the assignments from the teacher(s).

- Successful homework assignments engage students in purposeful, relevant learning that meets their academic needs. Homework learning activities help students understand concepts, develop thinking skills, and focus on applying their new knowledge. In addition, research indicates that:
- Schools in which homework is routinely assigned and reviewed tend to have higher achieving students. Homework should be checked in a timely fashion, where corrective feedback is given to students.
- Elementary grade homework should focus on establishing study habits and learning skills.
- There is general agreement that the amount of homework increases significantly as a student progresses through school.
- Homework should be necessary and useful, appropriate to the ability and maturity level of students, well explained and motivational, and clearly understood by students and parents.
- The amount of assigned homework should be tied to current subject matter and learner needs based upon level of difficulty to aid in successful completion.
• Giving homework on a regular basis may increase achievement and improve attitudes toward learning.

Homework will not be used for the following reasons:

• To discipline or punish students
• To introduce or practice skills the student does not understand
• To assess a students' learning without reference to other work

Homework Time Expectations
Educators have differing opinions on the amount of homework that is necessary for children. School Board policy recommends the following minutes that include assignments for all subject areas and teachers collectively per school day:

• Kindergarten and Grade 1: thirty (30) minutes;
• Grades 2-3: forty-five (45) minutes;
• Grades 4-5: sixty (60) minutes

Guidelines suggest that students should also read for 30 minutes in addition to homework assignments. Additionally, specialized programs such as gifted and/or the Extended Foreign Language Program (EFL) may receive increased levels of homework due to rigorous course work demands.

Homework assignments are aligned to standards and expectations for the grade/course of the students as well as their academic needs. Homework may vary depending on the grade level and specific programs such as SPED, Gifted, or the Extended Foreign Language Program (EFL). Access to technology are taken into consideration. Assignments may be modified to accommodate students who do not have access.

Expectation of Parents
• Contact the teacher early, if the student begins to develop a pattern of late or incomplete work.
• Contact the teacher to clear up any misunderstandings, troubleshoot problems and be better informed about the students' learning progress.

Mealtime Environment
School lunchtime should be an opportunity to encourage healthy lifestyle, promote socialization that will affect early behaviors.

The Department of Food and Nutrition serves healthy means daily. Please visit nutrition.dadeschools.net for details on menus, programs, and services.

• Cafeteria Volunteers
Volunteers will be allowed, upon completion of a lunch supervision training in grades K-2 only. All volunteers must be registered annually and have an approved volunteer number. Parents approved for the Lunch Bunch Program (Grades 1 & 2 on Wednesdays) must complete a separate training and are assigned a group of students by the teacher.
• **Cafeteria Rules**
  - Stay in a single line
  - Always use acceptable table manners
  - Discard the trash appropriately when asked to do so by the lunch monitor and/or Security monitor
  - Talk quietly (using indoor voices)
  - Stay in your seat
  - Raise your hand for assistance
  - Follow directions from lunch monitor and/or Security monitor
  - Keep hands, feet, and objects to yourself
  - Please refrain from sending metal silverware/flatware for student safety.

• **Free Breakfast**
  Miami-Dade County Public Schools offers breakfast free of charge to all M-DCPS Students. The breakfast at no charge is not dependent on the student qualifying for free/reduced price meals at lunch.

• **Free/Reduced Price Lunch Program**
  The USDA Child Nutrition Programs as administered by Miami-Dade County Public Schools provide free and reduced priced lunch for children unable to pay the full price. In place of the paper application, School Meal Program Brochures are distributed to all students informing parents on the application process and meal program. Parents are encouraged to complete an online application at the [Department of Food and Nutrition](freeandreducedmealapp.dadeschools.net) at freeandreducedmealapp.dadeschools.net. Paper applications are available in the school’s front office upon request. Many students are approved through Direct Certification and do not submit a lunch application. If approved for meal benefits, the approval status is valid throughout the school year, the summer, and approximately the first twenty days of the next school year.

• **Lunch from Home**
  Lunch may not be delivered to class after the start of the school day. Students may be provided cereal and milk or alternate cafeteria-provided lunch. Parents are encouraged to leave a positive balance in the child’s lunch account. In this way, if a lunch is forgotten at home students may purchase using the funds available in the account. Inform your child ahead of time of this availability to ensure lunch is accessible to them.

Protocol for Addressing Parental Concerns
Parents may generally address their complaints or concerns to the school administration, which may be followed by Region and District department review by appropriate. For issues involving an individual teacher or class, parent/guardian address their concerns to the following individuals in the order below.

Public-Private Collaboration
Requests for private instructional personnel to collaborate with public instructional personnel in the educational setting should be directed to the Principal for application of District procedures.

Recess
Recess is supervised, unstructured playtime where children have choices, develop rules for play and release energy and stress. Recess will be conducted outdoors when weather permits. In the case of inclement weather, appropriate recess activities will be conducted indoors.

Schools shall provide at least 100 minutes of supervised, safe, and unstructured free-play recess each week for students in kindergarten through grade 5, so that there are at least 20 consecutive minutes of free-play recess per day.
Safety and Security

- **Emergency Operations Plan**

  Student and employee safety is a primary concern of the Miami-Dade County Public School (M-DCPS) System. The Emergency Operations Plan (EOP) was created to provide school personnel with the necessary leadership skills and knowledge needed to respond to critical incidents or other related emergencies that may occur in our schools/community. All schools have a site-specific plan to address all types of critical incidents. These plans address the individual needs of the school and provide guidelines for devising methods for communicating with the staff, students, parents/guardians, and the media during a critical incident or an emergency. Some of the protective action procedures include emergency drills/active shooter drills, the evacuation of students/staff from the building(s), evacuation of the disabled and if necessary the relocation of students/staff from the school campus, lockdown procedures and holding/dismissing students during school and community emergencies. Some important tips for parents/guardians to remember during a Critical Incident are as follows:

  - Remain calm;
  - Monitor media outlets for updates and official messages from M-DCPS;
  - Do not flood the school with telephone calls; and
  - If the school is on lockdown, wait until the lockdown is lifted before going to the school.

  All school administrators, Region Center Superintendents/Directors and all MDSPD Police officers have been adequately trained in the school EOP and are prepared to respond immediately during a critical incident or emergency to provide safety for all children.

- **BeSafe Anonymous Reporting System (Insert Flyer)**

- **Fire Drills**

  Ten fire drills will take place during the school year according to the Miami-Dade County Public Schools Policy and Emergency Procedures. At the sound of the emergency bell, students must stop what they are doing and follow the teacher's instructions. Students must clear the building promptly by the prescribed route. Any student who is in the hallway or the restroom at the sound of the emergency bell must proceed to the nearest exit and locate the teacher. Students, teachers and staff must remain outside the building until permission is given to re-enter.

- **Lockdown Procedures**

  Lockdowns are utilized in response to an immediate threat posed to students and staff. Schools have successfully performed lockdowns in response to police activity adjacent to a facility and potential armed intruders onsite. Students, faculty and staff will comply with all the procedures outlined in the Miami-Dade Public Schools Critical Incident Response
Plan and remain on lockdown until a school administrator and/or law enforcement makes an “All Clear” announcement.

- **Threat Assessments**
  Miami-Dade County Public Schools (M-DCPS) has a mandated set of procedures for threat assessment. A threat assessment is a problem-solving approach to violence prevention that involves assessment and intervention with students who have threatened violence in some way. When a preliminary determination is made, by the school administrator or designee, that a student poses a threat of violence or physical harm to him/herself or others is known, a Threat Assessment Team (TAT) shall be notified and shall convene to determine the best course of action. Authorized members of the TAT may obtain criminal history record information, if applicable. Students determined to be at-risk for violence will be referred for mental health services. Threat assessment and disciplinary procedures are separate processes. Regardless of whether a threat is determined to be transient, serious substantive, or very serious substantive, appropriate disciplinary procedures shall be followed in accordance with the Code of Student Conduct.

- **Visitors**
  Due to legal regulations, students are not permitted to have guests attend school with them at any time. Parents/guardians are always welcome, and tours may be arranged with the principal to view the school. Classroom visits require a request with 24-hour notice. Visitors must first register with security at the main entrance, sign-in, produce photo identification, and then proceed to register in the main office. Anyone who fails to follow these procedures will be considered a trespasser and is subject to arrest.

**School Activities/Clubs**
All School Activities, clubs, and organizations must be approved by the principal and conform to the district policies 5845 - Student Activities, 5830 - Student Fundraising and 9211 – Parent Organization, Booster Clubs, and Other Fund-Raising Activities.

- **Clubs**
  Miami-Dade County Public Schools’ students may participate in a wide variety of activities, including student council, subject-area clubs, honor societies, service clubs, school publications and class activities. School-sponsored clubs may be curriculum-related or noncurricular-related.

Curriculum-related clubs are student groups whose goals are an extension of the activities and objectives in a particular subject area within the school's curriculum. Conversely, noncurricular-related clubs are student groups whose goals are special interest oriented and not directly related to the curriculum. Meetings of noncurricular-related clubs may be scheduled only at times when instruction is not taking place, either before or after school.

- **School Club List**
  There are two sessions of clubs, Fall and Spring. Please visit the school's website and app for specific information on the list of clubs offered each session.
School Center for Special Instructions (SCSI)
School administrators may elect to assign students to the School Center for Special Instruction (SCSI) as an interim alternative educational setting to suspension from school. SCSI is designed to provide strategies and resources to students focused on learning new behavior skills. When misconduct in a class results in an assignment to SCSI, the student should be reassigned from only the class in which the misconduct occurred. Continued misconduct can result in the reassignment from all classes.

School Class Picture Process
The school class picture monies will no longer be collected by school staff for this activity. Collection of monies will be conducted by the photographer and/or photographer's staff.

At no time, shall a staff member, parent, volunteer, or member of a school-allied organization such as the PTA handle school class picture monies.

School Transportation
Miami-Dade County Public Schools will transport more than 60,000 students a day this school year, using a fleet of 1,300 buses on nearly 1100 school-bus routes. The service is for students who live more than two (2) miles from their assigned school and for special needs students in some instances.

Before school begins, parents/guardians of all students eligible for bus transportation will receive a post card from the school district identifying the student's bus stop and times of pick-up and delivery. Information on student bus assignments will be posted on the Parent Portal at www.dadeschools.net. The information on bus assignments on the Parent Portal is updated each night. Parents/guardians are encouraged to check the Parent Portal throughout the school year to obtain the most current information on their children's bus assignment.

Parents interested in determining their child's transportation eligibility should contact their child's school for information.

Special Education/Section 504
The School Board of Miami-Dade County ensures that all students suspected of having a disability are identified, evaluated, and provided appropriate, specially designed instruction and related services, if it is determined that the student meets the state's eligibility criteria and the parent/guardian consents to initial placement.

Students who are not eligible for specially designed instruction and related services in accordance with state eligibility categories but have a disability that substantially affects a major life activity may be eligible for accommodations pursuant to Section 504 of the Rehabilitation Act of 1973.

As the parent/guardian of a child with disabilities, you are a very important member of the team that plans your child's education. Be informed and get involved. If you have any questions, please contact your child's school. Staff from the special education department and your child's student service provider will help to answer your questions. Student Records
The education records and personally identifiable information of students are protected by The Family Educational Rights and Privacy Act (FERPA) and the Florida Statutes. These laws provide that without the prior consent of the parent, guardian or eligible student, a student's records may not be released, except in accordance with the provisions listed in the above-cited laws. The laws provide certain exceptions to the prior consent requirement to the release of student records, which include, but are not limited to, school officials with a legitimate educational interest and lawfully issued subpoenas and court orders with notice prior to disclosure. Parents and eligible students are also provided the right to challenge the accuracy of their education records in accordance with the procedures outlined in School Board Policy 8330.
