

Summer Reading & Enrichment Learning

PINECREST ELEMENTARY 2020

PORTAL ACCESS

District Supplemental Online Programs

All Pre-K through 5th grade students will be able to access their portal throughout the summer and utilize appropriate tools based on their current grade level (during the 2019-2020 school year). The assortment of online tools includes district-licensed supplemental software (i.e., *Discovery Education*, *myON*, *Sumdog*, *Reflex*, etc.) and a multitude of open resources (i.e., *Duolingo*, *TypingTest*, etc.). For summer 2020, students will only have access to ***i-Ready Math Learning Games***. **Students will not have access to their pathway nor their assigned lessons in Math or ELA.**

Additionally, students will have access to free digital programs (for students in grades PreK-12) during the summer break to avoid the summer slide and to promote at-home learning using technology. The interactive and engaging digital tools are available through the *Student Portal* and are meant to provide enrichment activities as well as opportunities for remediation and acceleration. Students will have access to the following content: *Digital Classroom* (i.e., mathematics, reading, and science), as well as *Digital Playground* (i.e., art, coding, languages, robotics, typing, etc.). All these applications can be accessed through the student portal.

DIGITAL MEDIA LIBRARY / ONLINE BOOKS

To help support the Miami-Dade Public School's Summer Reading program, Library Media Services is excited to announce that we have partnered with the Miami Dade Public Library System by adding access to their K-12 digital library. All students can now access eBooks and eBooks through their school's Destiny library catalog, or at the **axis360 digital media library** website. These titles can be checked out at any time, even when your library is closed! This digital library will provide students, with current, relevant and high interest eBooks and eBooks.

To access the Pinecrest Destiny Catalog please visit:

SCHOOL-BASED PROGRAMS

Accelerated Reader (Renaissance Place) will not be available to students during the summer. However, as students read throughout the summer months, we encourage children to keep a running log of what books they have read so they may take those tests upon returning to school in the fall. Please note, no students should take an AR test until their teacher has instructed them to do so for the 2020-2021 school year. This is to ensure the program has been aligned with the new academic school year. Wordly Wise 3000, Reading Plus (thru June 30th), IXL and Brain Pop/Brain Pop Jr are still available to students online and can be accessed through the students link on our school website. For continued access please visit: <https://pinecrestelem.net/>

SUMMER READING

A comprehensive list of suggested book titles for students to read during the summer is included. The highlighted book titles are the ones that our school highly recommends for the students to read for the upcoming grade level. We have also included some activities that the students can do after they have read the books in order to receive credit from their teacher at the beginning of the 2020-2021 school year.

Pinecrest Elementary Summer Reading Plan

Summer Reading e-Book Catalogs

Students should select at least two (2) books from one of the free digital e-book catalogs listed below. One book should be fiction and one nonfiction.

<u>Catalog</u>	<u>Accessible Via</u>
Axis 360	Pinecrest Media Center Website
MyON – Summer Reading Challenge	Student Portal
Audible Stories	https://stories.audible.com/start-listen
Tumblebooks	https://www.tumblebooklibrary.com/

Summer Reading Activities

After reading each book, students should select an activity from the list below. ***One (1) activity should be completed for each book that is read.*** It is recommended that students select a different activity for each book. Summer Reading Activities will be due to your child's incoming teacher at the beginning of the following school year.

Book Report Choice Board		
Imagine the book is being made into a movie. Create, perform and record a MOVIE TRAILER . Must include a written script.	Make a COLLAGE with a mix of images and text. Must represent knowledge of characters, setting, and plot.	Design a COMIC STRIP illustrating a major scene in the book. Must be neat and colorful.
Write a TEST with at least 25 questions. Must include an Answer Key and a variety of question types.	Make a DIORAMA that depicts a major scene in the book. Must include characters, setting, and plot.	Create a FOOD related to your story. Write up a recipe card to share with your class. Include an explanation of how this food represents your book.
Make a new BOOK JACKET for your book. Look in your local library for design inspiration.	Write a REVIEW of the book. Explain your favorite and least favorite parts of the plot, characters, ending, etc.	Conduct a fictional INTERVIEW with a main character. Ask questions related to the storyline.

- **Students that complete these activities will earn an extra credit "A" to start the year on the right track!**
