PINECREST ELEMENTARY SCHOOL

NOTE TO PARENTS:

All grade level supply lists have been revisited and adjusted to accommodate both a **physical return** and/or an **online return to school**. All items listed under the specific grade level list are necessary for the start of the school year.

Although our school will be providing sanitation items such as hand soap, tissues, hand sanitizer, etc., if parents wish to donate additional sanitation items listed below, it would be greatly appreciated.

Our teachers will benefit from these supplies to help ensure we continue regularly sanitizing desks and high frequency areas (such as sinks, doorknobs, etc.) throughout the school day.
