### FOR IMMEDIATE RELEASE

Friday, July 23, 2021

## M-DCPS Partners with FLDOH, UM Pediatric Mobile Clinic to Expand Access to Vaccines and Provide COVID-19 Testing

In an effort to encourage all eligible students to be vaccinated, Miami-Dade County Public Schools (M-DCPS) has partnered with the Florida Department of Health (FLDOH) and the University of Miami (UM) Health System Pediatric Mobile Clinic to offer the COVID-19 vaccine. UM will also be providing COVID-19 testing and all school-age vaccines.

Attached are fliers in English, Spanish and Haitian Creole listing all the vaccination locations, dates and times.

Appointments are not required for vaccination. To be eligible to receive the COVID-19 vaccine, students MUST be at least 12 years old on the day they are being vaccinated and have a completed COVID-19 vaccine screening and consent form. The consent forms will be available at the sites.
