October 29, 2021

Dear Parents and Students:

As we embark on the 2021-2022 school year, we anticipate a year filled with many positive opportunities and measurable successes for our students. Our school has been built on a legacy of excellence and it is in the spirit of excellence that I write this letter to you. I am honored to be the principal of a school where the students, teachers, and staff are dedicated to merit and a high standard of achievement.

Pinecrest Elementary School's goal is to maximize the potential of every child entrusted to our care. In order to meet this lofty goal, the staff will work diligently to form a solid academic foundation for your child. The mission of the school remains the same. We will maximize the learning of every student, ensuring we motivate them to develop the grit and perseverance needed to strive for their own personal best while promoting social/emotional growth.

We encourage you to be involved in your child's education by monitoring his/her progress and by maintaining contact with his/her teacher. As we continue our strong community partnerships and parental involvement, we invite you to be involved in your child's education and to participate in the many activities that will be offered. Our future collaboration of home and school will continue as we ensure that our learning environments are safe and conducive to learning. We will continue to support each child's academic, social, and emotional potential in the quest for lifelong learning and effective citizenship. I thank you for allowing us to be part of your child's academic journey.

Sincerely,

*Suzette L. Friginals*
