August 1, 2024

It is with great pleasure and excitement that we open the 2024-2025 school year, celebrating 70 years of excellence. Our mission remains to maximize the learning of every student, ensuring we motivate them to develop the grit and perseverance needed to strive for their personal best while promoting social and emotional growth through our District's Values Matter Program.

Pinecrest Elementary has been an "A" school since the inception of the State of Florida's school grading system, maintaining this grade for twenty-six consecutive years! This distinction is not something we take for granted. Our staff is committed to high expectations for all students, providing an academically challenging program while offering a loving, nurturing environment that supports students' social and emotional needs. Our school promotes the Values Matter program through monthly Parrot Club recognitions, the Do the Right Thing program, and No Place for Hate activities.

In addition, thanks to our strong community partnerships and parental involvement, our school continues to be recognized with the Golden Apple Award, Gold Dream in Green, Gold Level Everglades Champion, M.A.S.T.E.R Heart Award, and the S.T.E.A.M. Gold Designation. We have also received numerous awards through the Fairchild Challenge, SECME Math and Science competitions, District Social Science competitions, and Art/Music competitions. This year, our wonderful Parent Teacher Association was awarded the National PTA School of Excellence designation.

It is this combination of exceptional staff, phenomenal students, and supportive parents and community that makes Pinecrest Elementary School the elite neighborhood school it is. Thank you for entrusting your children to us. Our staff looks forward to working together with you to ensure the best elementary educational experience available. It's going to be a "Groovy" School Year!

Sincerely,

Suzette L. Friginals

Suzette L. Friginals, Principal
